BIG-BREAST CHALLENGE II: CHERRY BRADY VS. JENNY

Dear *Voluptuous*,

Cherry Brady vs. Jenny in "Big-Breast Challenge II" (Dec. '06): talk about a couple of super-stacked greats! As has been the case just about every month, this vote is difficult. My vote is for Jenny. Let me tell you why.

Jenny is one of the all-time great models in *Voluptuous* history. A true superstar. Cherry is one incredible lady: great looks, big boobs and what curves! She does have it all, but so does Jenny, and she has more of it.

Jenny is bigger and better all the way around. Talk about size! She may have the biggest boobs in the contest. How many women can measure up to Cherry in the boob department and blow her away size-wise, like Jenny does? From all angles, Jenny is the winner. What a beautiful woman!—P.S., Bethel Park, Pennsylvania

CHERRY MADE IT CLOSE, BUT JENNY'S TOO GOOD

Dear *Voluptuous*,

Even though I went into December's "Big-Breast Challenge II" thinking Jenny would make mincemeat out of Cherry Brady, I have to admit that I was very impressed by Cherry. I've always considered Jenny to be one of the most-stacked models on the planet, but Cherry held up to her very well.

Look at the opening photo on page 12. Cherry really isn't that much smaller than Jenny. Other photos are much more telling, such as the ones on page 13 when both girls are wrapping their tits around that pole (Jenny's tits practically engulf it) and the hanging photos on page 14.

But, overall, thumbs-up to Cherry for making it a contest. Still, my vote goes to Jenny, maybe for the whole thing.—R.T., Liverpool, England

Redheaded Cherry Brady put up a good fight, but she was no match for the sensational Jenny in the first round of "Big-Breast Challenge II."

Dear R.T.: Let's not get ahead of ourselves and decide "Big-Breast Challenge II" until it's over. There's still a long way to go. Right now, V-Men, we're counting your votes in the final first-round matchup between Linsey Dawn McKenzie and Devon Daniels. We'll announce the winner and present all four second-round matchups in the March '07 issue of Voluptuous, on-sale January 16th. Get ready for Nicole Peters vs. Bea Flora, Lorna Morgan vs. Jenny, Marilyn Sakova vs. Shaday and Nadine Jansen vs. the Linsey-Devon winner.

"BBC-2": MAKE IT FAIRER

Dear *Voluptuous*,

The worst thing about December's "Big-Breast Challenge II" match between Cherry Brady and Jenny was that there had to be a loser. I think Cherry and Jenny both have better tits than two of the girls who have already advanced, Bea Flora and Lorna Morgan, and both girls would be in the second round right now if the pairings were fairer. Next time, I think you should seed the models, like they do in the NCAA men's basketball tournament. —P.W., Harrisburg, Pennsylvania

IT'S A MATTER OF COLOR

Dear *Voluptuous*,

Jenny definitely has bigger tits than Cherry ("Big-Breast Challenge II," Dec. '06), but Cherry's milky white hangers do it for me over Jenny's chocolate milkers. To me, there's noth-

ing like smooth, white tits on a hot babe. Don't get me wrong. I'd definitely fuck Jenny, but I'd give my right nut for Cherry.—S.S., via email

KERRY MARIE VS. LORNA: A MATTER OF OPINION

Dear *Voluptuous*,

I know the challenge between Lorna Morgan and Kerry Marie ("Big-Breast Challenge II," Aug. '06) is over, but I wanted to voice my opinion about Lorna beating out Kerry Marie.

How could anyone look at Kerry's and Lorna's breasts and say Lorna has better breasts? No disrespect to Lorna. Big breasts on a woman who is not all that big, like Lorna, are always good.

Does Lorna (right) have better boobs than Kerry? We think it's too close to call!

But in my opinion, Kerry has the better-looking boobs.

For one, Kerry's boobs are firmer, rounder and seemingly fuller than Lorna's. Even you guys at V-Mag admitted that it was a slight upset, and it sure was! Kerry's boobs turn me on more than Lorna's. Kerry is in my Top 20 of the best models I've seen in V-Mag since I started purchasing it in late 2002. Especially after she went from a single-F to a double-F.

I'll admit that Lorna has some of the most perfectly-shaped areolae, but Kerry has the better boobs.—S.M., Baltimore, Maryland

ON SCRIBBLING OUT DICKS & DICKS WITHOUT FACES

Dear *Voluptuous*,

Just wanted to thank D.J. of Nashville for his letter in the November '06 V-Mag. I haven't laughed so much in ages. That guy is funnier than Chris Rock!

First of all, his claim that he goes through the mag, scribbling out the dicks in the DVD ads with a black marker pen, is a lie. Everybody knows that black marker would go straight through the paper, ruining the photos

on the other side. Sounds very much to me like this guy is afraid to look at hetero porn for fear that he might find himself becoming aroused by the sight of another man's genitalia. Does he avoid swimming pools and/or playing sports for the same reason?

There's absolutely nothing wrong with straight guys looking at other guys' dicks...dicks that are stuffed in the mouths, pussies and arses of hot V-Girls, that is. The whole idea, D.J., is that YOU look at the dick and imagine it's yours, blowing that sweet load all over Cherry Brady's jugs. That's pretty much how porn works. You substitute YOURSELF for the guy in the movie or photos. Get it?

It's not the dicks that are the problem for me. It's the guys' faces. If you'd complained about the faces, D.J., I'd have been with you all the way. There is never a valid reason for showing a guy's face in porn. The minute you show his face, he stops being a surrogate for the viewer and becomes, instead, a rival. And it's from here, D.J., that I believe your jealous feelings stem. I get those feelings, too. Sometimes I'll think, "Bastard," but, for the most part, I'll think,

Goldie popped a tit out and Scarlett fucked a blue dildo in the Nov. '06 issue.

"Good on ya, mate." After all, how many of us wouldn't be doing that for a living if we could?

But I digress. If D.J. really craves dick-free mags, he ought to come live in the U.K. for a while. Our censorship laws have been in place since the Middle Ages. In the U.S., you can buy XXX mags alongside your groceries without anyone batting an eyelid, and this guy complains. There's no pleasing some people.

By the way, V-Guys, November's issue is hot. Goldie, Scarlett and Bozena all look particularly fine. -Karl, Yorkshire, England, via email

ANOTHER ATTACK ON D.J.:

Dear *Voluptuous*,

Tell your reader in Nashville who wrote in asking you to obscure the penetration scenes to get over his itty-bitty penis and enjoy the pictorials. They're great. The first thing I want to see is a chick's big tits, then I want to fuck her. *Voluptuous* shows it all to me. Keep up the great work, and keep those penetrations "cumming." -Name withheld, California

Dear Reader: We don't comment on the cock size of our readers.

HE CAST HIS V-MAG AWARDS BALLOT. BUT HAVE YOU?

Dear *Voluptuous*,

With the arrival of the Dec. '06 issue, I started my frenzied annual review of voluptuous breast flesh. Now I'm rushing off my suggestions for your annual contests, hoping the slates have not been finalized. After much agonizing, I got it down to five girls for each category, listed in order of preference.

2006 Model of the Year: Bozena, Cassandra, Nicole Peters, Kelly Kay and Veronika.

Newcomer of the Year: Anna Song, Lily Valentine, Logan Moss, Kelsey and Brianna Costello.

Plumper of the Year: Inesse, Kelli Rose, Trisha Banks, Eden and Jelena.

Anna Song is scorching hot and spreads her butt in the sexiest way. Inesse has the plumpest hooters, and she's gotten even sluttier with age. Bozena is such a sex goddess. She's the perfect mix of a beautiful face and a hot body with fantastic headlights and a slutty disposition.

In making my choices, I gave a significant amount of weight to the jack factor. The girls on my list all make me cum because they have great tits and

One man's pick in the V-Mag Awards: Anna (above) for Newcomer of the Year; Bozena (right) for Model of the Year and Inesse (below) for Plumper of the Year.

Maria Verbeck (Oct. '06) not only has big tits. She has sexy feet, too!

pose like sluts. Titty tugging, spread pussies and winking assholes all get me off, and that's what the J-Factor is all about.—B.D., New Jersey, via email

Dear Readers: Have you cast your vote for the 2006 V-Mag Awards? If not, there's still time to vote...depending on when you're reading this. The voting deadline is Dec. 31, 2006. To vote, see page 19.

BIG TITS AND SEXY FEET

Dear *Voluptuous*,

I would like to start off by commending you guys for [Scoreland](http://Scoreland.com) and XLGirls.com. I recently re-subscribed to the sites, and I'm glad I did.

I do, however, have a suggestion: a foot fetish/light bondage site that would feature the girls normally seen in *XL Girls* and *Voluptuous*. There are plenty of good foot-fetish sites on the Web, but there are very few (if any) that feature beautiful, rubenesque women showing off their feet.

I would love to see Maria Moore, Samantha or Annie Swanson in completely barefoot photo sets (tied up or not). Of course, I know that not all women are into these fetishes. However, it would be nice to see those who are into it.—R.C., via email

DECEMBER V-MAG: BEST ISSUE FOR NEWCOMERS

Dear *Voluptuous*,

Concerning debuts, the December '06 issue of V-Mag with Brianna Costello and Kelsey was the best for newcomers since the January '06 issue with Leah Jayne and Cynthia Romero.

Brianna is the best V-Mag newcomer of 2006. You guys wrote that Associate Editor Elliot James' jaws dropped when he saw her. Well, my jaws and everything except my penis would have dropped, too! Brianna is so hot, I just could not take my eyes off of her.

She's so cute, and her breasts look so firm, they almost look enhanced. She is definitely working on being another fantasy girl of mine.

Kelsey had the second-best debut in the issue. Definitely one of the cutest models I've ever seen.

Last but not least, Miranda looked great in her pictures, and she gave an interesting interview, too.—S.M. Baltimore, Maryland

HE WANTS MORE POPPOS. HE DOESN'T WANT HER EX.

Dear Voluptuous,

After viewing *The Diane Poppo Collection*, I was reminded of a question posed within the past several years, where your Scoreland subscribers and V-Mag readers were asked if they'd like to see Diane do boy-girl videos in addition to what she has done in *The Diane Poppo Collection*.

Frankly, at the time, I thought it was a rhetorical question, since I was sure 100% of your subscribers and readers would love to see Diane do future boy-girl XXX work. I answered at that time by saying I would certainly love to see Diane do boy-girl XXX video, but I strongly suggested that it be done with some other male model than Diane's stupid ex-husband.

Diane's ex-husband has to go down in history as one of the dumbest buffoons that has ever lived. This idiot walked away from one of the most desirable ladies that has ever existed. Then he took private video tapes that he had made within the context of their marriage and started selling copies of them. Of course, if he hadn't done that, we would not today have access to *The Diane Poppo Collection*.

Diane's ex-husband has to be considered one of the least-endowed men that has ever put himself forward in an explicit hardcore video. You'd think he'd have enough sense to realize he is embarrassing himself whenever people view *The Diane Poppo Collection*.

Regardless of this idiot's lack of judgment, if Diane ever consents to make additional boy-girl XXX videos, it is imperative that she be paired with a well-endowed stud so that she can be serviced correctly.—Jack, via email

Skyie Blew

Skyie (Nov. '06) wants to shed some pounds so she can fit into a bikini, but the doctors think she already looks great. They have her model a bikini and convince her that she's sexy by fucking the daylights out of her pussy and asshole. "Oh, it's in my ass!" she squeals.

A woman with long dark hair and large breasts is lying down, looking up at a large penis that is in her mouth. The penis is exceptionally large, extending from the right side of the frame into her mouth. The background shows a metal bed frame and a white pillow.

Double-Stuffed Plumpers

Monique L'Amour

Monique (May '06) is surprised when the doctors urge her to *gain* weight. She starts her plumping-up program with a cock in her pussy and one in her ass. After the guys jack off on her tits, she sucks them dry as they urge, "Get every drop. It's extra calories."

SUNNY DEE

Her huge rack puts us in a New York state of mind.

Our first incredible newcomer this issue is a college student from New York City who walks down Fifth Avenue carrying a stunning pair of G-cups. Her name is Sunny Dee, and she was discovered in one of our favorite ways. "A friend of mine—not my boyfriend, 'cause I don't have one—reads *Voluptuous*, and one day he showed it to me," Sunny said. "He said, 'Sunny, you're as good or better than any of these girls.' Then I looked through the magazine, and I said, 'You know what? I don't know if I'm better, but my titties sure are as big!'"

When Sunny realized she had the stuff to be in V-Mag (and decided she wanted to be a V-Girl), she had her lucky friend take some pictures of her, then she mailed the snapshots to our studio. We wasted no time getting back to her. "It was, like, a few days after I sent them in," Sunny said. "At first I thought it was a joke because I didn't think there had been enough time for you to get my pictures. But I was really excited, and you flew me down to Miami, and here I am!" As you can see, naturally stacked Sunny was a natural in front of the camera. "People tell me I'm a flirt," she said.

BARE FACTS

SUNNY DEE

Birthday: March 15, 1985

Age: 21 **Height:** 5'2"

Weight: 138 lbs.

Bra Size: 34G

Measurements: 42-30-36

Lives: New York, New York

Occupation: Student

A few things you might like to know about Sunny. She's a college student in her junior year. When we asked her if she'd ever had sex with another girl, she said, "No, and I never will. I like men." She once had sex in the middle of New York's Central Park. Her fantasy is to have sex on a jet-black sand beach. And she dresses to show off her body. "If I don't wear nice, tight-fitting clothes, my tits make me look fat," she said. "Besides, I don't mind showing off what I've got. I like it. So if any of you guys out there have busty friends, show them *Voluptuous*." And that's an order!

Kerra Dawson

**This V-Girl is
full of surprises.**

Unwrap her and find out.

INTERVIEW BY DAVE ROSENBAUM

She's the ultimate short-and-stacked chick for the man who likes a little bit of adventure in his life. That's Kerra Dawson, all 4'9" of her. She's packing DD-cups in her overworked bra, and she's packing a lot of life in her little body.

For those who haven't seen her yet, Kerra made her Voluptuous debut in the July '06 issue and came back fucking and sucking a real, live cock in the October '06 Xtra section. She's a friend of Devyn Devine, another short-and-stacked chick, who she went tit-to-tit and clit-to-clit with in the DVD Knockin' Nipples. And she has already appeared in a scorching, ultra-kinky hardcore DVD: Sleeping Sluts. She fucks like she means it. Like she's enjoying it. And she is.

The old saying goes that good things come in small packages. That's definitely true of Kerra. It's also true that mystery and intrigue are often found where we least expect it. Kerra's life makes for intriguing reading... as you're about to discover in this exclusive interview conducted at the Voluptuous studio just moments after Kerra finished fucking.

V-Mag: Hi, Kerra. How're you doing?

Kerra: Great! I'm a little tired, but I'm doing great. *[She exhales]*

V-Mag: You know what, Kerra? It's fun to watch you breathe. Can I see you breathe again?

Kerra: Sure *[She slowly inhales, pushing her chest out to nearly cartoonish proportions, then exhales]*

V-Mag: Sometimes I try to get models to laugh because when they giggle, guess what happens?

Kerra: Their tits shake shake? *[Laughs]*

V-Mag: There they go! And I wish I had a good enough sense of humor to keep you giggling for the next half hour, but I *can* keep you breathing. Anyway, here you are at the *Voluptuous* studio after a long day of being naked for our viewing pleasure.

Kerra: Yeah. And posing and being in funny positions and being upside-down, too.

V-Mag: Being upside-down?

Kerra: I think I was upside-down. I was in the piledriver position while I was fucking. That was really killing my neck because I had to turn my head to the side.

V-Mag: So you're saying that you were having sex with a guy, and he had you in the piledriver position?

Kerra: Yeah. He grabbed me by my hips and yanked me up.

V-Mag: And when you were doing this, you were upside-down?

Kerra: Yeah.

V-Mag: And where were your boobs going at that time?

Kerra: They were up on my face. They were smacking my cheeks.

V-Mag: How did that feel?

Kerra: Pretty soft. It was the most comfortable part of that position, feeling my boobs against my cheeks.

V-Mag: Your boobs are warm and comforting, aren't they?

Kerra: Yes, they are. I don't sink anymore when I swim. *[Laughs]*

V-Mag: Kerra, could you do me a favor and stand up for a second?

Kerra: Sure. *[She does]*

V-Mag: How tall are you?

Kerra: I'm four-nine and a half.

V-Mag: You're short and stacked.

Kerra: Yeah. That was one of my nicknames, actually. Short stack.

V-Mag: Who used to call you that?

Kerra: Do you know what *The Rocky Horror Picture Show* is?

V-Mag: Sure.

Kerra: Well, I used to hang out with the people from the musical, the crew

BARE FACTS

members, and when they saw me, I was 16, and I was wearing this little nightie that cupped my breasts really high up so if I bent my head down, my chin would touch my breasts. And I was a little shorter back then. I was about four-six, so all the crew members called me "Short Stack."

V-Mag: When you were 16, how big were your boobs?

Kerra: Thirty-four triple-D, I think.

V-Mag: What are they now?

Kerra: Thirty-four double-D. I lost a little bit over the years.

V-Mag: It doesn't look like you lost anything at all.

Kerra: Yeah, I know. You should've seen me in high school, though.

V-Mag: Huge?

Kerra: My body was really, really, really little. I wore a size zero in pants. Of course, I've gained weight since then. I shopped in the kids' department for clothes, except for up top. For that, I had to shop in the fat women's depart-

ment. Nobody makes clothes for skinny people with large breasts, so I had to shop in the big women's department. It was a drag.

V-Mag: So you're four-nine. That's 57 inches. And your boobs are 38 double-Ds. That's about 44 inches. So you're only 13 inches taller than you are around in your chest.

Kerra: Yeah, I know. *[She sits down]*

V-Mag: How old are you?

Kerra: Twenty-five.

V-Mag: Where are you from?

Kerra: Sea-Tac, Washington. I'm from the Seattle-Tacoma area of Washington, where the airport is.

V-Mag: What do you do for a living?

Kerra: I did escorting for three years, and I was a drama teacher for a short while. I taught college students. I was still in high school at the time, and that was just a way to make money so that I could pay for my school clothes. And I was an exterminator last summer.

V-Mag: You exterminated bugs?

Kerra: Yep. I wore big overalls and the mask that covers most of your face with the goggles and the cloth hoodies, and I'd crawl into nasty crawl spaces. I worked 12-hour days exter-

minating bugs and rats and yanking out insulation in 120-degree weather.

V-Mag: With big, baggy overalls?

Kerra: Hmm-hmmm.

V-Mag: Nobody knew you had big boobs, did they?

Kerra: No. They couldn't really tell because I was wearing overalls, and underneath I was wearing my work uniform. It was during the summertime. And if you work in the attic, it's like 120 degrees. Try working like that for six hours.

V-Mag: I think I'll pass on that. But you know, Kerra, for some reason, I'm getting the impression that you're a girl with some unusual likes and dislikes. You do unusual things.

Kerra: Yep! I'm a big tomboy. What you see right now, dressed up all sexy with my boobs hanging out, is the good side of Kerra. If you met me in person, I'd be wearing a ponytail with a baseball cap, or I'd be jogging in a sweat jacket or something. I do the boy stuff. I'm into hiking and off-roading. That's one of my favorite things.

V-Mag: So when you're away from the studio where we have you spreading your legs and showing off your boobs and having big, bad men fuck you in the piledriver position, you don't show off your boobs?

Kerra: Well, there are a couple of bars I like to go to when I'm trying to get away from people who know me too well, and then I'll just go in there wearing nice jeans and a nice tank top that covers just above my areolae. It barely shows my areolae, and that way I don't have to buy my own drinks!

V-Mag: Never?

Kerra: Never.

V-Mag: And guys are coming up to you all the time, right?

Kerra: Well, I always have the biggest boobs wherever I go, and when I show them off, it's a bit of a show. I mean, guys are amazed. Girls are amazed, too, but not like the guys are. But I won't just let any guy buy me a drink. I mean, I have to think he's compatible with me. I'd have to think I want to spend some time with him, not just

have him buy me a drink so I don't have to spend money.

V-Mag: What makes a guy compatible with you?

Kerra: He has to be tall, dark and handsome. He can't be too muscular. I'm not big into big muscles. He has to have his own car. And he can't be afraid to rent a motel room.

V-Mag: Not afraid to rent a motel room? You've run into guys who were afraid to rent motel rooms?

Kerra: Yeah, but just one. First of all, he didn't have a car, so we had to go in my car. That was my first mistake, but I was kind of horny, and he *was* tall, dark and handsome. He had all of the other things going for him. And I could tell through his jeans that he had a nice cock. We had a few drinks, and after a while, he said, "Do you want to go somewhere," and I said, "Okay," and then he said, "Well, you'll have to drive. I don't have my car with me."

V-Mag: He asked you to go somewhere, then he said he didn't have a car? What a loser!

Kerra: Yeah, but I saw that he had come into the bar with some friends, so that made sense to me, although I found out later that he really didn't drive. He'd lost his license for some stupid reason.

V-Mag: A real winner, eh?

Kerra: Definitely! *[Laughs]* So we took off in my car, and I was driving, but he was being really aggressive all the way to the motel. You know, feeling me up, playing with my tits through my top, which was okay because I was horny and I thought I wanted to fuck him. But when we got to the motel, I parked, and he said, "I'll wait here."

V-Mag: He said that? What a jerk!

Kerra: Yeah, he really said that! Then I said to him, "We can go in together, and you can get us a room," and he said, "I'm not getting us a room," and I said, "Why not?" and he said, "Cause I don't like to do that," and I said, "Well, I don't like to fuck losers," and he said, "Why don't you just give me a blow job in the car?" and I said, "No way," and I threw him out of my car. Actually, I asked him to leave.

V-Mag: Did he leave?

Kerra: Not at first, but I finally convinced him to get out.

V-Mag: I'm not going to ask how. I can just envision this poor guy standing there high and dry in the parking lot

"Just moving your hands back and forth under my boobs feels really good."

MONICA

She's not the least bit shy about showing off her tits.

"Men are very aggressive when they look at my breasts," said Monica, who means that when men see her E-cups, they stare hard. "When men tell me I have a pretty smile, I know what they're really thinking. They are looking for an excuse to stare at my breasts some more." V-Men don't need an excuse to stare at this Czech chick's pretty rack. After debuting in the Aug. '06 issue, she's back to show it again for your viewing pleasure.

As we told you last time Monica appeared in V-Mag, she's a very kinky girl. After all, we discovered her in a sex club, and she wasn't just sitting there and watching. She was up on stage, taking part in the action. And a big part of her sexual attitude revolves around her big tits. Always has and always will. "I am used to having very big breasts, and I love having them," she said. "I started growing them when I was nine years old, and I was wearing a D-cup bra when I was 13. Of course, back in school, I did not know all the good things my breasts were good for."

Now that you've enjoyed the spectacular from-the-valley view of Monica's E-cup mountains, and while you sit back, watch and jack as she toys with her plump pussy, we'll let her tell you "all the good things" she says her tits are good for. "Before I got the job I have now, I was a waitress in a restaurant," she said. "One time, my left breast fell out into a man's cereal. He didn't know what to do!" Grab it. Suck it. Eat it for breakfast. That's what we'd do if Monica's tit fell into our cereal. Milky goodness, indeed. "Of course, men pay a lot more attention to me because of my big breasts. And sex is so much more fun with big breasts. Men tell me that. I like to suck on my breasts while I'm riding a man, and I love when a man fucks my breasts. It makes me feel so sexy." Monica, you shouldn't need a tit-fucking to feel sexy. You *are* sexy. "Thank you," she said. "But you know what is the best thing about having big breasts? I get to be in *Voluptuous*. Just thinking about all the men looking at my pictures makes me horny." Monica, we ain't just looking! We're jacking!

LOGAN MOSS

A surprise encore by one of 2006's best.

It is a woman's prerogative to change her mind, and thankfully, Logan changed hers. The first time we saw her in the February '06 issue of *Voluptuous*, she was five months pregnant. She was also firm in her conviction that her first nude-modeling gig would be her last. And then... "I saw my picture on the cover of *Voluptuous*, and I loved it," she said. "I felt like a star. It was the most exciting thing ever!"

Logan is now a full-time mother, a part-time house dancer and an all-the-time happy girl. We've never seen a model who looks so genuinely thrilled to be showing her tits in V-Mag. She has a few reasons for that. "I love being in *Voluptuous*, and I loved how my pictures looked the first time, but in all honesty, one of the reasons I thought I'd never model again was because I was certain my boobs would go back to the size they were before I was pregnant, which was a full C-cup. But they didn't! After I gave birth, I was waiting for them to deflate or something, but it never happened. I'm still an E-cup, and at times I'm even bigger! I love it!"

Logan Moss

FEBRUARY 2007

"The best thing about being pregnant was having my baby," Logan said. "The next-best thing about being pregnant was becoming a girl with *really* big tits, and I'm definitely getting the most out of it. I love to show off my tits in low-cut tops. Even when I'm not showing them off, the other day, I was breast-feeding my baby in a restaurant. This guy saw me, and I thought his eyes were going to pop out of his head! I love getting that reaction!" In V-Mag, she's gonna keep getting it.

DAWN PHOENIX

A look back at one of the certified greats of mid-90s voluptuosity.

From 1996 to 1998, Dawn was treasured for her large, pliable boobs and long, stretchable pussy lips. "She twists and tugs her thick pussy lips just as much as she pulls on her nipples," we wrote. Nipple self-sucking? Nipple tugging? Labia elongation? Dawn was your girl for those exceptional talents. Her cherubic face masked a talent for lewdness and raunchy hypersexuality.

Our video camera was there when Dawn celebrated her 18th birthday on July 2nd, 1996. This footage was added to the video, *Linsey Dawn McKenzie's 18th Birthday*. Her last V-Mag appearance was in the May 1998 issue. What happened to Dawn? In 2003, a slimmed-down Dawn popped up on two reality dating shows on American television, *Shipmates* and *Single In The City: New York*.

BANGIN' BRANDY TALORE

She's so damned cute and cuddly, like the cheerleader-next-door. When 40-28-36 Brandy Talore jiggles her heavy, natural tits, everyone goes crazy. Brandy's posed for many pictorials and did her very first hardcore fucking in *SCORE* and *Voluptuous* magazines. Her hefty hills were made to be plowed by a big, hard cock, and that's what *Bangin' Brandy Talore* is all about! Bonus: Two erotic boob-play videos.

Dear Jack: Naturally, reader reaction to Diane Poppo has always been overwhelming. She's one of the most popular V-Mag models ever, and just about everyone would love to see Diane do more boy-girl hardcore videos. But, so far, she has steadfastly turned down our offers to do an in-studio hardcore scene (and, in fact, has never done one). The amateur videos she did with her ex-husband remain the only hardcore she has ever done. By the way, readers, if you don't already have a copy, you can get The Diane Poppo Collection online at eBoobStore.com or by calling, toll-free in the U.S. and Canada, 1-800-421-0760. Elsewhere, dial 1-305-662-5959. It's available for only \$29.95 on DVD and VHS.

AN ANGRY BLAST FROM A VOLUPTUOUS READER

Dear Voluptuous,

I really don't expect a response from you, and rightly so. I mean, you're making money, and the work ain't hard, so why even think that you're going to do even one of the things you said you would do?

Case in point: Eight months ago, you took a bold poll by asking your readers to tell you what we would do if we were the editor. Since then, there hasn't been the slightest response from you as to what we asked for and no clue if anything we asked for was even implemented. A waste of our time and your paper, or did we make you look that bad? You got free ideas and didn't have to pay a dime, but still you've made no improvements?

I even asked you for the job of taking *Voluptuous* to the next level for \$200K a year. I'm a marketing director from way back, but why rock the boat with new and fresh ideas? Smooth sailing for the next three to five years is the answer. Yeah, I'm the one who recommended quarterly blockbusters that contain five or six models with double the number of pages (start with Eden). And you make fairly good DVDs, but why not add music? Duh? What are you afraid of? Success? Greater market share?

More to the point, your color separations continue to turn out poorly (too orange in many instances, not

WOW NIKKI

In the mood for love? Then you've got the wrong girl.

Whenever we see Wow Nikki, we don't think about romantic, moonlit walks on the beach and cuddly sex. We think, "Man, I'd like to suck on those big ol' titties and ram my cock down her throat. I'd like to turn her over on all fours, stick my dick in her ass and slap those big cheeks of hers. I'd like to spray my load all over her tits." Which is fine with her. "Romance is fine," Nikki said, "but there's a time and a place for everything. When I need it, I just want to get fucked hard."

There ya go! Here's Nikki in her natural state: flat on her back with her big tits pushed together, her legs spread and her panties pulled aside so you can have easy access to her wet pussy. "I love when a man is so horny for me, he can't wait for me to take my clothes off," Nikki said. "He just pops my tits out of my dress or whatever I'm wearing, throws me on the bed, pulls my panties aside and shoves his cock in my pussy. And I don't want soft, gentle strokes. I went it hard and deep. I want to feel his balls slapping my ass."

I don't need a big dick to make me happy, although if that's what you've got, fine. I'm a big girl. I can handle it." But can *you* handle Nikki? "I have a way of making men hard," she said. dark enough in most), and you're still taking up space in our magazine with ladies who don't meet the litmus test in the rack department.

Furthermore, the first two issues of *Mamazon* were on point, then you lost your way. There's a real simple formula, fellas: Do the same damn thing that got you to the dance! Being this non-responsive to your readership hinges on arrogance. Never mind that you continuously try to get folks to nibble at that new wreck of a magazine that focuses on the rear-end. Good luck with that, but please keep the ads out of our magazine. Try it in your other magazine. Those folks have no problem with fake parts and unfulfillment.

Just stick with what you know and what the readers want: big and natural tits.—M.A.D., Alexandria, Virginia

Dear M.A.D.: You probably won't believe us when we tell you that we always take our readers' suggestions into account. One suggestion we absolutely heeded: More photos of the girls in tight clothes and bras, fewer dildo-insertion shots.

WHEN WILL MERILYN SPEAK?

Dear Voluptuous,

Do you have plans for an interview with Marilyn Sakova? I think all of her trillions of fans would enjoy it.

Also concerning Marilyn, I realize she has made another DVD, but as a guy who has viewed many big-boob DVDs, I can wholeheartedly recommend her debut. It is the best big-boob DVD I have seen.—D.D., Stratford-upon-Avon, England

Dear D.D.: No plans for a Marilyn interview at this time. She's Russian, as you know, and speaks little English.

GOT MILK?

When she last appeared, in the April '06 issue, long-time favorite Fiona Steels revealed that she keeps her tits smooth and soft by rubbing man-sauce into them every once in a while. Well, it turns out that Fiona has another secret for keeping her rack so milky. And the secret is...milk!

Yeah, Fiona's making a mess in this kitchen, but it's worth it. "Usually I drink milk to keep my skin soft," she said. "I don't pour it all over my tits. I have skin cream for that. But I think this'll work just as well, and it's a lot more fun!" The idea of Fiona's milk-bags smothered with milk appeals to some deep, primal instinct in our perverted minds. *There's milk on the inside; now there's milk on the outside!* "And wouldn't you love to milk my milkers?" Fiona said. Now there's an offer no V-Man—or milkman—would ever refuse!

while the most-stacked chick he's ever seen drives away.

Kerra: Well, I wasn't totally mean to him. I went back to the bar and told his friends where they could find him. I got laid that night, anyway.

V-Mag: By who?

Kerra: By a guy with a car who wasn't afraid to rent a motel room.

V-Mag: I'm sure you didn't have a hard time finding another guy. But on a different subject, Kerra, I'm looking you over, and I have to wonder, what's going on down there? By your pussy?

Kerra: Down there? [Points to her pussy] It's damp.

V-Mag: And shaved?

Kerra: All the time. And do you know how hard it is to shave your pussy when you can't see it?

V-Mag: You mean you can't see your pussy when you look down because your tits are in the way?

Kerra: Exactly.

V-Mag: How old were you when you even found out you had a pussy? I'm just kidding.

Kerra: What you should be asking is how old was I when I discovered that I was actually a girl.

V-Mag: What do you mean?

Kerra: I thought I was a boy all the way up until I was nine years old. I thought the difference between boys and girls was that girls wore dresses and boys wore pants, and I always wore pants. I didn't understand the differences between the sexes because I'd never seen penises and anything other than myself. For the longest time, I picked on the girls and threw rocks at them because I really thought I was a boy.

V-Mag: What happened when you found out that you were a girl?

Kerra: I cried.

V-Mag: How'd you find out?

Kerra: My mom told me.

V-Mag: Kerra, you're a girl.

Kerra: Yes, I am.

V-Mag: There's no doubt about it.

Kerra: [Looks down at her tits and laughs] Yes, I know.

V-Mag: Well, you found out that you were a girl when you were nine. How old were you when you realized that you were a little different from the other girls in the chest department?

Kerra: Actually, I grew these almost 100% overnight. I was an A-cup. I had like little knobs, and I was about 11 years old. What was funny was that I was snacking a lot the night before. I was eating ice cream, cookies, cake, anything I could get my hands on. I was going through a really bad fat-and-calorie craze, and my mom noticed that I was growing knobs, so she bought me a sports bra. I went to sleep that night, and I woke up in the middle of the night, and my little bra had busted in half, and I started crying because I couldn't reach down to fix it. There was something in the way. So I ran downstairs, went to the bathroom, and I turned on the light and saw my tits. I had 34C cups.

V-Mag: Just overnight?

Kerra: Yes. And I cried because nothing like that had ever happened in our family. My mother is a big-breasted woman. She's an E-cup. We're all big-breasted in my family, but they never grew overnight like that before. So I pounded on my mother's bedroom door. "Mom, mom!" and she came out and said, "Oh, my God!" She took me to the hospital, and they shoved several needles into my breasts all the way around, and they took samples to see if I had cancer or if I was allergic or something. Later, the doctor comes walking in and goes, "Ma'am, she's fine. She's got tits."

V-Mag: The doctor actually said, "She's got tits"?

Kerra: Hmm-hmmm. Those words.

V-Mag: Is that the medical term? "She's got tits"?

Kerra: "She's got tits."

V-Mag: And then the doctor said, "Hey, nice pussy, too!"

Kerra: [Laughs] What was funny was that I grew these tits before I even started menstruating.

V-Mag: Are you sure your doctor wasn't one of those play doctors we hire for our hardcore scenes? After he was done checking you out, he probably snuck out the back door, threw off the fake doctor's outfit he'd stolen and

She's so young. So cute. So innocent? Yeah, right!

Don't let her notebook, glasses and nerd look fool you. Newcomer Whitney Stevens is a nice girl, but she's also a very *bad* girl. She's only 19 years old, but she's already well on her way to becoming a major porn star, on the level with Brandy Talore, another V-Girl who's made it big in mainstream porn. "I'm young, I'm cute and I have big tits," Whitney said, smiling. "I guess some guys like that."

Whitney is too young to get a drink in all 50 states, but she's old enough to fuck. "I could've gone to college or gotten some stupid job, but I decided to fuck instead," she said. "College can come later. Right now, I'm doing something that most girls don't have the guts to do, and I'm not ashamed of it. When people ask me what I do, I just tell them, 'I'm a porn star.' I love the shocked looks on their faces when they realize I'm serious."

Wanna see a 19-year-old babe fucking and sucking? Then check out Whitney's video on Scoreland.com. Whitney gets her DD-cups sucked on, gives a superb blow job (it almost seems as if her mouth is caressing the cock), wraps her pussy around the guy's hard pole in a variety of positions, tit-fucks, then takes his load all over her chest. Very impressive. "A lot of fun, too," she said. "Hey, I'm only 19. I wouldn't be doing this if it wasn't fun." Her enthusiasm shows. "I just love to fuck." She put her glasses back on and struck an innocent look. "Wouldn't you like to fuck me?"

started jerking off in his car.

Kerra: *[Laughs]* He actually prescribed me creams that were supposed to shrink my skin a bit, almost like Preparation-H. You know how it's supposed to tighten your skin a little bit, and you can put it under your eyes for wrinkles? It was something like that. He prescribed it for me for up here *[runs her hands over her tits]* so my tits would shrink a bit. It didn't really work.

V-Mag: Obviously.

Kerra: Within a couple of years, I was a D-cup, and by the time I reached high school, which was ninth grade, I was a 36D, and then they got bigger over the next two years. I ran track. I wrestled. I was in Junior ROTC. I was very athletic. I was a really little person with really big knockers.

V-Mag: Did you have to give up sports after a while?

Kerra: No. Actually, I found it kind of amusing to play sports with my big tits, especially when I was weightlifting. That's why I have big arms. I used to be a weightlifter. I used to bench-press 175 pounds. That's how strong I used to be. I can't lift that much now. One time in high school, this football player was walking down the stairs, and it was between classes. I was heading up the stairs, and every day he saw me and he would pass by, and he would just stare at my boobs or do a quick brushover or something like that. Well, one day, he brought a tack because he thought my tits were fake, and he shoved the tack right into one of my tits.

V-Mag: What an asshole!

Kerra: It hurt like hell because the tack was almost dull, and he pounded it in. But he wasn't a really big, big football player, so I leaned over, picked him up and threw him down the stairs, and he went tumbling down over 20 students, and they were all crashing down like they were bowling pins or something. It was funny! I got suspended for about four days for that. But he got expelled for sexual harassment.

V-Mag: Well, guys, if you ever have the opportunity to meet up with Kerra, you'll get a great eyeful of tits, but you'll also get your ass kicked.

Kerra: No, you won't! Just be nice to them. *[Touches her tits]* They're a part of

me. Treat them right! All I ask is that men don't treat my tits like objects. They're attached to me, so be kind to them and they'll be kind to you.

V-Mag: Hey, Kerra! In amateur wrestling, there are three periods, right? And isn't there a period in which you start out on the bottom and the other person starts out on top? Isn't that how it works?

Kerra: Yes.

V-Mag: Could you please show me the bottom position?

Kerra: I can try. I haven't done it since I was 15. There was one position where I would get on all fours.

V-Mag: That's the one I want to see.

Kerra: Okay! *[She stands up, then gets down on the floor on all fours. Her tits are hanging almost to the ground]* I'd be down here like this, but my ass would be sticking out because my opponent would be on top of me with his upper body leaning down. That way, he could grab my arm and flip me over.

V-Mag: Do you realize that when you were in that position in high school, you were training for your future career in porn?

Kerra: *[Laughs]* My future doggie-style position!

V-Mag: Can you turn over on your back for a second?

Kerra: Okay. *[She does]*

V-Mag: I bet that because you were so tough, you never got pinned.

Kerra: I got pinned maybe twice.

V-Mag: And now that you're lying on your back, with your tits like that, when you got pinned, the other person's chest must have been half a foot in the air!

Kerra: The trick my teacher taught me was to thrust, grab the arm and flip. *[Her tits jiggle]* He used to tell me to thrust a lot. I started getting a little confused after a while. *[Laughs]*

V-Mag: Well, let's find out some more things about you. Can you suck on your own nipples?

Kerra: Yes. *[She demonstrates by lifting her right nipple to her mouth and sucking it. Then she lifts the other nipple to her mouth and sucks it. She leaves lipstick marks on both tits]*

V-Mag: Do girls ever suck on their own nipples when they're not in a porn scene or with their boyfriend?

Kerra: If they get really excited they'll do it. Some girls' nipples are very sensitive and easily stimulated.

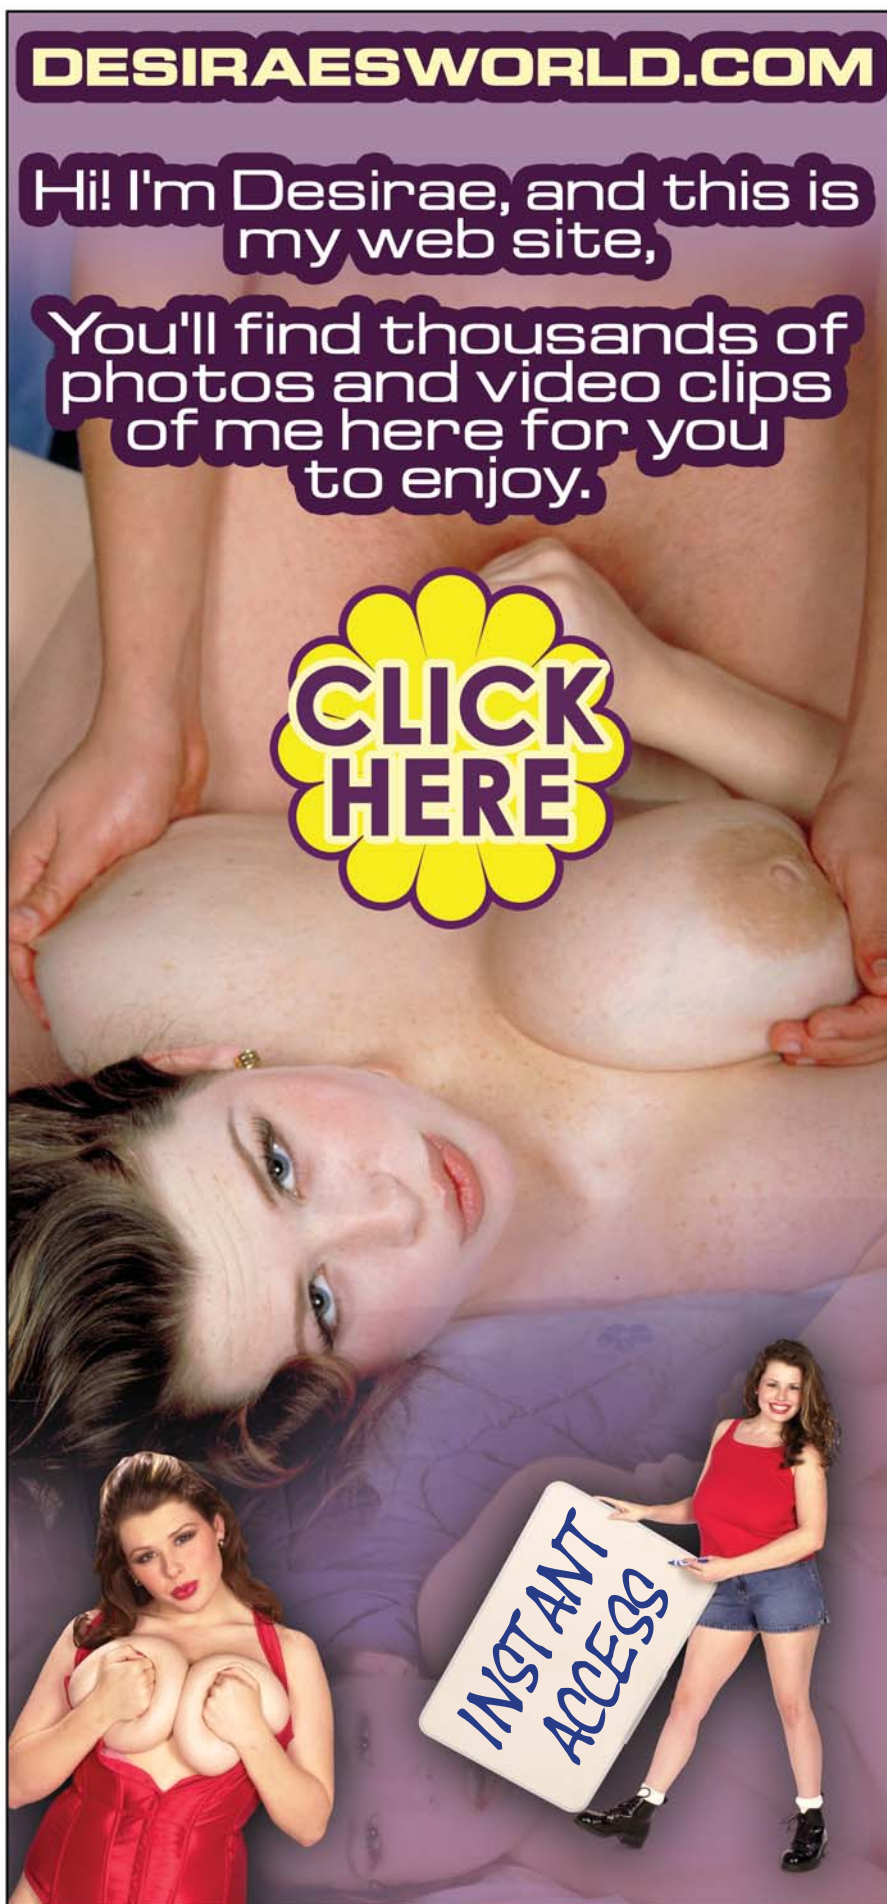

V-Mag: But would you ever suck on

your nipples when you're by yourself?

Kerra: I would, just to remind myself that I can do it. I mean, it's kinda cool, being able to suck on your own nipples. Not every girl can do it.

V-Mag: You can actually remember the last time you sucked on your nipples when there was nobody around?

Kerra: Hmmmm...oh, I think it was three months ago when I spilled syrup on them. I was walking around naked, and it was early morning, and I was eating toast with syrup on it, and the syrup dripped down onto my tits, and I lifted it up and ate it off my nipple. I sucked it off.

V-Mag: Really?

Kerra: Yes.

V-Mag: By the way, what's the word you use for your tits? Breast, boobs, hooters, tits?

Kerra: My boobs.

V-Mag: You said a while ago that a guy should treat your boobs right.

Kerra: Yeah, treat 'em right. They're not exactly individuals but they almost have their own zip code, so be nice to them.

V-Mag: How should a guy handle your boobs?

Kerra: Well, I usually don't get off when men are pounding hard on my breasts or squeezing or pinching them really hard. Just do it kindly and nicely to my nipples. *[She demonstrates]* Massage them. I'm kind of sensitive underneath my boobs as well, so just moving your hands back and forth under my boobs feels really good. That gets me off.

V-Mag: So we shouldn't bite them?

Kerra: No. Don't chew. Please don't.

V-Mag: And don't pull on your nipples too hard?

Kerra: No.

V-Mag: Just tweak them a little?

Kerra: Yeah. Lick them but don't bite them. And one of the other things is I have a hard time getting off when I'm on top unless the guy holds my breasts. I like to grind when I'm riding a guy's cock. I like to move back and forth, but the only way I can get off is if he has at least one hand on my boobs. It's always been like that for me, unless I'm on the bottom, in which case I can cum any way I want. But when I'm on top, I need to have that kind of sensitivity and stimulation. But if he squeezes too hard, I lose interest. If a guy is nice to me while I'm riding him, then I definitely cum.

V-Mag: I get the feeling that your tits turn you on, don't they?

Kerra: My boobs have given me some great adventures.

V-Mag: Adventures? Let's hear one in which the guy doesn't get hurt. I want to hear an adventure in which things turned out well for both sides.

Kerra: *[Thinks for a few seconds]* Okay. You said you've been to Sea-Tac Airport, right? You know the Doubletree Hotel near the airport?

V-Mag: Yeah.

Kerra: The glass elevators that are on the outside...have you been in them late at night when it's really cold?

V-Mag: No.

Kerra: Well, I told you that I had done the escorting thing, and one of my clients had a fantasy to have me butt-naked with my titties against the glass while he did me in the elevator. So that's what we did.

V-Mag: Did anybody else see you?

Kerra: Oh, yeah!

V-Mag: Did the two of you get thrown out of the hotel?

Kerra: No, because they couldn't find me. I ran! I could hear security running after me from far away. It was really embarrassing. The guy came really quickly because he wanted to just hurry up and do the fantasy, not try to savor it, and by the time we made it to the fifth floor—we had already gone down and we were coming back up—I looked down because my face was facing the window, and I saw the security guards running towards the entrance, and I knew what they were there for. We made it back up to the tenth floor, and we just ran.

V-Mag: Did he cum?

Kerra: Yeah. And he left the condom in the elevator.

V-Mag: Well, guys, if you want to get a look at Kerra's boobs, you might want to hang out around the Sea-Tac Airport area. Bring your car. Bring your driver's license, too, so you can check into the hotel.

Kerra: Yep.

V-Mag: And remember how to handle her boobs. Kerra, I'm worn out.

Kerra: You're worn out? Yeah, you've been sitting over there in the dark. You've probably been jacking off.

V-Mag: I've been looking at your big, jiggling tits and jacking for the last 15 minutes. Your tits are amazing.

Kerra: Good job. Now I know at least I did something right today!

GABRIELLA

Raise your pole and salute the all-American girl.

She is everything that every red-blooded American boy ever dreamed of. Meet Gabriella Michaels, a tall, blonde, blue-eyed, big-titted former cheerleader who lost her virginity after a high school football game (while still wearing her cheerleading uniform) and once had sex on the 50-yard-line of a football field. Could you possibly ask for anything more? Well, yeah, you could, so turn the page and get it!

Long, shapely legs, huge, meaty floppers and a come-fuck-me look. That's Gabriella, our fourth newcomer of this issue and a girl who has a lot of living to do. "My fantasy is to have sex in the rain on top of a Ferris wheel," said this 5'11" F-cupper who was born in the South and now lives in Cleveland, Ohio. "I love getting wet when I'm having sex. I love the sensation of being up high. I once masturbated while I was on a roller coaster. Does that count?"

BARE FACTS

GABRIELLA

Birthday: January 30, 1980

Age: 27 **Height:** 5'11"

Weight: 162 lbs.

Bra Size: 40F

Measurements: 46-32-38

Born: Savannah, Georgia

Lives: Cleveland, Ohio

Occupation: Student

Hobbies: Shopping and going to school

Fetishes: "Having my hair pulled, my toes licked and my nipples bitten."

Gabriella is a bright girl (she's currently attending college), and she definitely has a mind of her own, but when it comes to dates, she likes the man to do all the work. "I like when the man has everything planned out, no questions asked," she said. "I don't like when he asks me where I want to go or what I want to do. Surprise me! If it's fun, chances are we'll have a good time." She has a similar attitude about sex. "I always wait for him to make the first move," she said. "I like when a man is confident. That's sexy to me. Of course, whether I go along with him is my choice, but if I'm ready, it's all over for him!" And what does that mean? "When the clothes come off," she said, "I take over! And that's always good!"

LEAH JAYNE COCK NURSE

This bust-out Brit knows that nothing cures what ails you like her big rack.

Every man needs a little nursing once in a while, especially after a tough night of drinking. You could, of course, take plenty of aspirin and sleep it off. Or you could hope that your super-stacked girlfriend, Leah Jayne, shows up and cures what ails you with her mouth, pussy and sensational tits. That's the method we prefer. "That's the method I prefer, too," said this British bombshell who debuted in the January '06 issue. "I love to surprise my men with sexy outfits and sex when they least expect it. Wouldn't you love to wake up from a hangover with my big breasts wrapped around your cock?"

GOLDIE "I WAS BORN TO FUCK!"

She has no intention of wasting her natural gifts: tits, ass and pussy.

It should come as no surprise to anyone who saw Goldie's V-Mag debut in the Nov. '06 issue that she's already fucking and sucking cock in your favorite big-tit magazine and in the new DVD *Fuckin' Mo' Titties*. After all, she told us that she's into sex. As she put it, "A body like mine was made for sex. God didn't give me these big tits and a big ass so I could become a nun. He gave it to me so I could fuck. And that's what I do!" That's obviously what she's doing here. "The second I walked into the *Voluptuous* studio, I said, 'Where's the cock?'" Goldie said. "Posing without dick is baby shit!"

With regards to Goldie's statement that "posing without dick is baby shit," the fact is that a lot of us got off on Goldie's solo pictorial. We loved seeing her hanging tits, and we sprayed plenty of splodge when she reached behind and spread her cunt and asshole as wide as a cunt and asshole could possibly be spread. But, yeah, we gotta admit it: Goldie looks very natural with a cock in her mouth and pussy and cum all over her tits. "Let's face it: I fuck more than most girls, so I'm good at it," Goldie said. "And I've got more tits and ass than most girls, so more guys want to fuck me, and they get more excited. So here I am, boys. The *real* Goldie. Enjoy!"
